Call for Papers

2021 IEEE 3rd Ukrainian Conference on Electrical and Computer Engineering (UKRCON) is an IEEE Ukraine Section's flagship conference for researchers, students, and professionals in the area of Electrical and Computer Engineering from Ukraine and around the world.

IEEE UKRCON-2021 will be held in Lviv, Ukraine, 6 – 8 July 2021. Conference organized in Hybrid format. In-person participation is available by special invitation for limited number of participants.

IEEE UKRCON-2021 general theme, **Celebration of the 30th Anniversary of the IEEE in Ukraine**, reflects the profound impact of IEEE on the Ukrainian Science for the last 30 years. IEEE Ukraine Section was founded on November 21, 1991 and for 30 years helps Ukrainian scientists find ways for cooperation with various international partners through IEEE conferences and grants.

Conference Topics

Track 1: Microwave Techniques, Antennas & Radar Systems

Track 2: Bioengineering & Biorobotics

Track 3: Industrial and Power Electronics & Energy Systems

Track 4: Industry Applications, Automation & Industry 4.0

Track 5: Nanotechnologies, Photonics, Electron Devices & Magnetics

Track 6: Systems Analysis, Reliability, Computer Science & Communications

Track 7: Engineering Education & History

Paper Guidelines

The official Conference language is **English**. We solicit submission of original work, not previously published or submitted for publication elsewhere. Papers must have from **4 to 6 full pages** according IEEE Conference Manuscript Standard.

Conference Proceedings will be submitted for inclusion in **IEEE Xplore Digital Library**. "No-show" papers won't be submitted for inclusion in IEEE Xplore Digital Library. Each author can submit and present **no more than 3 papers**.

Venue

Lviv is a very beautiful city with its narrow medieval streets paved with stones, architectural decoration done in different styles preserved in its original form. Architecture of Lviv with its buildings, churches, monuments and relics make a magnificent atmosphere. The central part of Lviv is included in the UNESCO list of World Heritage.
